| Price List | w ins tot \$ | cash tot \$ | MUST DO \$ TOTAL | MUST DO \$ TOTAL | |
|--|----------------------------------|------------------------------|-----------------------------|-----------------------------|----------------------------------|
| Sample Requirements | all tests \$ 6,632.50 | all tests \$5,289 | \$1,643 | \$1,280 | |
| Advanced Metallothionein (MT) Profile (AMP) | \$ 312.50 | \$250 | \$ 312.50 | \$250 | MUST DO |
| Organic Acid Test (OAT, 62 tests) | \$275 | \$220 | \$275 | \$220 | MUST DO |
| 5 ml- First morning urine | | | | | |
| Uric Acid (24 hr or Random) | \$75 | \$60 | | | 5 ml- First morning urine |

| | | | |
|---|--------------|--------------|----------------------------------|
| Uric Acid (when ordered with another urine test) | \$35 | \$25 | 5 ml- First morning urine |
| Succinylpurines (Screening Test) | \$75 | \$60 | |
| Microbial OAT Panel (20 tests, included in full organic acid test panel) | \$200 | \$135 | |
| 5 ml- First morning urine | | | |
| Yeast Culture w/Sensitivity (yeast C & S) | \$200 | \$150 | |
| Stool | | | |
| OAT + Yeast C & S COMBO | \$370 | \$285 | |
| 5 ml- First morning urine & stool | | | |
| Microbial OAT + Yeast C & S COMBO | \$235 | \$200 | |
| 5 ml- First morning urine & stool | | | |
| Gluten/Casein Peptide Test | | \$99 | |
| 5 ml- First morning urine | | | |
| Sulfate - Urine or sulfate - serum | \$65 | \$50 | |

| | | | | | | |
|---|--------------|--------------|--------------|--------------|----------------|--|
| Glutathione - Reduced - whole blood Amino Acids (43 tests) | \$85 | \$75 | | | | |
| | \$275 | \$200 | \$275 | \$200 | MUST DO | |

**15 ml -First
morning urine or
plasma (fasting)**

| | | | | | | |
|---|--|--|--|--|----------------|--|
| Essential Fatty Acids (17 tests) | | | | | MUST DO | |
|---|--|--|--|--|----------------|--|

**Not filed at this
time**

\$175

**1-10 ml green top
sodium heparin
(whole blood)**

| | | | | | | |
|---------------------------------|--------------|--------------|--|--|--|--|
| (IgG + 4 subclasses) | \$165 | \$110 | | | | |
|---------------------------------|--------------|--------------|--|--|--|--|

**SST tube - 2 ml
serum**

| | | | | | | |
|---|--------------|--------------|--------------|--------------|----------------|--|
| Food Allergy - Comprehensive (IgG or IgE 96 foods) | \$300 | \$200 | \$300 | \$200 | MUST DO | |
|---|--------------|--------------|--------------|--------------|----------------|--|

**SST tube - 2 ml
serum**

**Food Allergy
COMBO-
Comprehensive
(both IgG & IgE
96 foods)**

| | | | | | | |
|--------------|--------------|----------------------------------|--|--|--|--|
| \$400 | \$350 | SST tube - 2 ml serum | | | | |
|--------------|--------------|----------------------------------|--|--|--|--|

\$350

**Inhalant Allergy
Comprehensive
(IgE-22
inhalants)**

\$220 \$165

**SST tube - 2 ml
serum**

**Immune
Deficiency Panel
(9 tests includes
zinc)**

\$275 \$220

**1 Royal blue top
no additive - 2 ml**

Zinc - Serum \$55 \$33

**1 Royal
blue tube
no additive
1-ml**

**IgG Subclasses
(Total IgG + 4
subclasses,
included in
Immune
deficiency panel)**

\$165 \$110

**SST tube - 2 ml
serum**

**Metals-blood (18
tests) one royal
blue sodium
heparin tube 3ml
minimum.**

\$280 \$180 \$280 \$180 MUST DO

**1 Royal blue
sodium-EDTA
tube**

**(3ml minimum,
full tube
preferred)**

**Metals-hair (39
tests, 5 ratios) \$225 \$125**

One full packet

**Metals-RBC (18
tests) \$320 \$250**

**Metals-Fecal (13
tests) \$225 \$125**

**20cc (1/2 cup) in
supplied
container**

**Metals-urine (36
tests) with or
without DMSA \$275 \$170**

**Urine 24 hrs,
times collection
or random (40 ml
minimum)**

**Myelin Basic
Protein**

**Antibodies \$135 SST tube - 1
(MBP) \$33 ml serum**

Cooper - Serum \$55

Copper/zinc \$33

profile - Serum \$200 \$150 \$200 \$150

**Kryptopyrroles -
when ordered
with another the
urine \$40**

**Kryptopyrroles -
Urine \$80 \$80**

**Ceruloplasmin-
Serum \$85 \$75**

**Glial Fibrillary
Acid Protein
Antibody (GFAP)**

**\$175 SST tube - 1
ml serum**

| | | | |
|---|--------------|--------------|------------------------------------|
| Nervous System Autoimmunity COMBO (Includes MBP and GFAP) DPP IV- Dipeptidyl Peptidase IV Master regulatory enzyme | | \$275 | 2 ml serum from red top tube |
| Trans- glutaminase antibodies test (Celiac disease test) | \$100 | \$75 | 1 ml serum |
| | \$150 | \$99 | |
| SST tube - 2 ml serum | | | |
| Comprehensive Stool Analysis | \$410 | \$305 | |

Stool
